INDEPENDENT AUDITOR'S REPORT

To The Members of Whispering Heights Real Estate Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Whispering Heights Real Estate Private Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Disclosure of fair value of Investment Property (including fair value of Investment Property Under Construction).</p> <p>Investment Property (including Investment Property Under Construction) comprises of Land, Building recorded at cost and are used for commercial leasing. As at 31st March 2025, the carrying cost of Investment Property (including Investment Property Under Construction) is Rs. 232,572.04 lakhs (31st March 2024 - Rs. 212,821.23 lakhs).</p> <p>Fair value of Investment Property (including Investment Property Under Construction) is Rs. 624,557.40 lakhs (31st March 2024 - Rs. 439,070.00 lakhs) which is disclosed in Note 4.02 and 4.03 to the Financial Statements as per Ind AS 40.</p> <p>The fair value of investment property for disclosure is determined by an independent valuer using discounted cash flow method.</p> <p>While there are several assumptions that are required to determine the fair value of investment property; assumptions with the highest degree of estimation uncertainty, subjectivity and impact on fair values are market rent, market rent growth rate, terminal capitalization rate and discount rate. Auditing these assumptions required a high degree of auditor judgement as the estimates made by the independent valuer contains significant measurement uncertainty and hence considered to be a key audit matter.</p>	<p>Principal audit procedures:</p> <p>Our audit approach consisted testing of the design / implementation and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • We obtained the independent valuer's valuation report to get an understanding of the source of information used by the independent valuer in determining these assumptions. • Evaluated the design and implementation and tested the operating effectiveness of the internal controls established by the Company relating to determination of fair value disclosed for investment property (including Investment Property Under Construction). • We tested the reasonableness of key inputs shared by management with the independent valuer by comparing it to source information used in preparing the inputs. • With the assistance of our fair valuation specialist, we evaluated the reasonableness of valuation methodology, market rent, market rent growth rate, terminal capitalisation rates and discount rate by comparing it with market information such as recent market transactions for comparable properties, market surveys by property consultants and broker quotes, as applicable. • Assessed independence and competence of the external valuer appointed by the Company. • Performed sensitivity analysis of certain key assumptions and retrospective testing of estimated

		cash-flows considered by the Company. Assessed and tested that the disclosures made by the Company are as per the requirements of the Indian Accounting Standards.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider

quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

**"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)**

Report on the Internal Financial Controls with reference to the financial statements under Clause (i) of sub-Section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to the financial statements of Whispering Heights Real Estate Private Limited (the "Company") as at 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to the financial statements based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with

reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at 31st March 2025, based on the criteria for internal financial control with reference to the financial statements established

by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i)
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Investment properties.
 - (B) As the Company does not have any intangible assets, reporting under clause 3(i)(a)(B) of the Order is not applicable.
 - (b) The Company has a program of verification of property, plant and equipment and investment property so as to cover all the items in a phased manner over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment and investment property were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) In respect of immovable properties of land taken on lease and buildings constructed thereon disclosed as Investment Property/ Investment property under construction in the financial statements whose lease deed has been pledged as security for loan taken from Bank, the lease agreement of land is in the name of the Company and the Company is the lessee in the agreement as at the balance sheet date based on the confirmation directly received by us from the lender. Based on our examination of the Occupancy certificate of the Building provided to us, we report that, the title deed of building disclosed in the financial statements included in Investment Property and Investment Property Under Construction are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its property, plant and equipment, Investment Property and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii)
 - (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
 - (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of

time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising quarterly rent roll and other stipulated financial information filed by the Company with such banks or financial institutions are in agreement with the unaudited books of accounts of the Company of the respective quarters. Till the date of this report, the returns/statements for the quarter ended 31st March 2025 are not due for submission to Bank.

- (iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.
- (iv) During the year, the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of Section 185 of the Act. In our opinion and according to the information and explanations given to us, the provisions of Section 186 of the Act are not applicable to the Company, since it is engaged in the business of providing infrastructural facilities. Hence reporting under clause (iv) of the order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under Section 148(1) of the Act.
- (vii) In respect of statutory dues:
 - (a) Undisputed statutory dues, including Goods and Services tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities in all cases during the year.

We have been informed that the provisions of Employees' State Insurance Act, 1948, Sales Tax, Service Tax, duty of custom, Value Added Tax, duty of Excise are not applicable to the Company.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Income-tax, cess and other material statutory dues in arrears as at 31st March 2025 for a period of more than six months from the date they became payable.

- (b) There are no statutory dues referred in sub clause (a) above which have not been deposited on account of disputes as on 31st March 2025.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

- (ix)
- (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, not been used during the year for long-term purposes by the Company.
 - (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
 - (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies and hence, reporting under clause (ix)(f) of the Order is not applicable.
- (x)
- (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) To the best of our knowledge, no report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a private company and hence the provision of Section 177 of the Act, are not applicable to the Company.

(xiv)

(a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date of the audit report.

(xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of Section 192 of the Act are not applicable to the Company.

(xvi)

(a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.

(b) The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.

(xvii) The Company has not incurred any cash losses in the financial year covered by our audit but had incurred cash losses amounting to Rs. 1173.31 lakhs in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of our knowledge of the Board of Directors and Management's plans of obtaining finance from banks and financial institutions as per the terms as may be agreed between the parties or such other sources as may be available to the company (Refer note 4.29 of the financial statements), nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx)

- (a) The Company was not having turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provision of Section 135 of the Act, are not applicable to the Company during the year. Accordingly, reporting under clause xx of the Order is not applicable for the year.

1 Company Background

Whispering Heights Real Estate Private Limited ('the Company') was incorporated as Private Limited Company on 13th October 2016. The registered office of the Company is situated at Raheja Tower, Plot No. C-30, Block 'G', Next to Bank of Baroda, Bandra Kurla Complex, Bandra (E), Mumbai- 400 051. The Company is a joint venture company of K Raheja Corp group and GIC of Singapore.

The Company is engaged in the business of real estate development and includes activities right from the identification and acquisition of land, to planning, execution, construction and marketing of projects.

2 Basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) notified under Section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act.

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year.

These financial statements were authorised for issue by the Company's Board of Directors on 29th May 2025.

Details of Company's material accounting policies are included in note 3.

2.1 Functional and Presentation Currency

These financial statements are presented in Indian Rupees, which is also the Company's functional currency and the currency of the primary economic environment in which the Company operates. All financial information presented in Indian Rupees has been rounded off to the nearest Lacs except otherwise stated.

2.2 Basis of measurement

These financial statements are on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument) measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan.

2.3 Use of estimates and judgements

The preparation of the financial statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The areas involving critical estimates and judgements are:

- Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used.
- Impairment and fair valuation of Investment property and Investment property under construction.
- Estimation of lease term for revenue recognition
- Estimation of useful life of property, plant and equipment and investment property

2.4 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
 - Held primarily for the purpose of trading;
 - Expected to be realised within twelve months after the reporting date; or
 - Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting date; or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability and how market participants would take those characteristics into account when pricing the asset or liability at the measurement date. The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

Management regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

3 Material accounting policies

3.01 Property, plant and equipment

1. Tangible assets

(a) Recognition and measurements

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Advance paid /expenditure incurred on acquisition / construction of property, plant and equipment which are not ready for their intended use at each balance sheet date are disclosed under loans and advances as advances on capital account and capital work-in-progress respectively.

(b) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(c) Depreciation

Depreciation is provided using the straight line method as per the useful life of the assets estimated by the management. The estimated useful lives of the assets, which are lower than or equal to those prescribed under Schedule II of the Act, and listed in the table below. Depreciation on addition / deletion of property, plant and equipment made during the year is provided on pro-rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

Asset Group	Estimate useful life (in years)
Building - Temporary Structure*	1 year
Plant and Machinery	15 years
Office Equipments*	4 years
Computers	3 years

Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

* For these class of assets, based on technical assessment the management believes the useful life of the assets are appropriate, which are lower than those prescribed under Part C of Schedule II of the Act.

3.02 Investment properties under construction

Property that is being constructed for future use as investment property or asset to be held under a finance lease arrangement is accounted for as investment property under construction until construction or development is complete.

Direct expenses like cost of land, site labour cost, building material, components and stores and spares used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, construction overheads and inventory of unused material acquired for the project for their intended use are taken as the cost of the project.

Advance paid for acquisition of investment property which are not ready for their intended use at each balance sheet date are disclosed under other non-current assets as capital advances.

3.03 Investment property

(a) Initial recognition and measurement

Properties including land, building and other assets, which are held either for long-term rental yield or for capital appreciation or for both, and which are not occupied substantially by the Company are classified as investment property.

Investment properties are initially recognised at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirement of Ind AS 16's requirements for cost model i.e. Cost less depreciation less impairment losses, if any. Depreciation is charged when the investment property is ready for its intended use. Cost comprises of direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are allocated on a reasonable basis to the cost of the project.

Plant and machinery, furniture and fixtures, office equipment and electrical equipment's which are physically attached to the commercial buildings are considered as part of investment property.

Acquisitions and disposals are accounted for at the date of completion.

If significant parts of an item of Investment property have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

(b) Subsequent expenditure

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

(c) Depreciation

Depreciation is provided using straight line method as per the useful life of the assets estimated by the management. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013 and listed in the table below. Depreciation on addition / deletion of investment property made during the period is provided on pro-rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

Asset Group	Estimate useful life (in years)
Building*	90
Infrastructure Development*	15
Plant and machinery*	15
Electrical installation*	15
Furniture and fixtures *	7

* For these classes of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

Based on internal assessment the management believes the residual value of all assets is estimated to be 5% of the original cost of those respective assets.

Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

Useful life of building is restricted to the lease term of leasehold land on which the building is constructed.

Leasehold Land is not amortised as the same is on lease for 999 years which is substantially the life of the asset. (Refer Note 4.28 (A))

(d) Fair Value

Fair value of investment property is based on a valuation by an independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

(e) De-recognition

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss in the period in which the property is de-recognised.

In determining the amount of consideration from the derecognition of Investment properties the Company considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

3.04 Impairment of assets

The Company assesses at each balance sheet date, whether there is any indication that an asset (or a cash-generating unit) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset (or a cash-generating unit). The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Value in use is the present value of estimated future cash flows (discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset) expected to arise from the continuing use of the assets (or a cash-generating unit) and from its disposal at the end of its useful life. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets (or a cash-generating unit). An impairment loss is recognised whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognised in the Statement of Profit and Loss or against revaluation surplus, where applicable.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

3.05 Revenue recognition

Facility rentals

Revenue from property leased out under an operating lease is recognised over the lease term on a straight line basis, except where there is an uncertainty of ultimate collection.

Lease incentives granted are recognised as an integral part of the total rental income. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Company is reasonably certain that the tenant will exercise that option. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

Maintenance services

Maintenance income is recognised over a period of time for services rendered to the customers.

3.06 Financial instruments

1. Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of profit and loss.

2. Financial assets:

Classification and subsequent measurement of financial assets:

a) Classification of financial assets:

- (i) The Company classifies its financial assets in the following measurement categories:
 - those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
 - those measured at amortised cost.
- (ii) The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.
- (iii) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (iv) The Company reclassifies debt investments when and only when its business model for managing those assets changes.

b) Subsequent Measurement

(i) Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

(1) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(2) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Whispering Heights Real Estate Private Limited

CIN: U70109MH2016PTC286771

Notes to financial statements as at 31st March, 2025

(Currency: Indian rupees in lakhs)

(3) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are subsequently measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

c) Derecognition of financial assets:

A financial asset is primarily derecognised when:

1. the right to receive cash flows from the asset has expired, or
 2. the Company has transferred its rights to receive cash flows from the asset; and
- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVTOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

3. Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Compound instruments

The component parts of compound instruments (convertible debentures) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

Financial Liabilities

Classification and subsequent measurement

The Company's financial liabilities include trade and other payables, loans and borrowings. Subsequent measurement of financial liabilities depends on their classification as fair value through Profit and loss or at amortised cost. All changes in fair value of financial liabilities classified as FVTPL are recognised in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognised in profit and loss when the liabilities are derecognised.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

Whispering Heights Real Estate Private Limited

3.07 Income tax

Income-tax expense comprises current tax and deferred tax charge or credit. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Ind AS financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that the taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

3.08 Earnings per share (EPS)

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity and dilutive equity equivalent shares outstanding during the period, except where the results would be anti-dilutive.

3.09 Leases

Aa a lessor

The Company enters into lease agreements as a lessor with respect to some of its investment properties. Leases for which the Company is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Company is reasonably certain that the tenant will exercise that option. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to reporting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

3.10 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are disclosed where an inflow of economic benefits is possible.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

3.11 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average interest rate applicable to the general borrowings.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete. All other borrowing costs are recognised as an expense in the period in which they are incurred.

3.12 Inventories

(a) Measurement of inventory

The Company measures its inventories at the lower of cost and net realisable value.

(b) Cost of inventories

The cost of inventories shall comprise all cost of purchase and other costs incurred in bringing the inventory to their present location and condition.

Inventories comprise of building materials and components. Inventories are valued at lower of cost and net realisable value.

Cost is determined on moving weighted average basis.

(c) Net realisable value

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

3.13 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, bank balances, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

3.14 Statement of Cash flow

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease which are capitalised to the carrying amount of leased assets are considered as cashflows used in investing activity.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

As per para 8 of Ind AS 7 – 'Statement of Cash Flows', "where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdraft, in the Balance Sheet, is included as 'borrowings' under Financial Liabilities".

3.15 Employee benefits expense

Short Term Employee Benefits:-

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

(i) Defined Contribution Plans

The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

(ii) Defined Benefit Plans.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

3.16 Subsequent events

If the Company receives information after the reporting period, but prior to the date of approved for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its Financial Statements. The Company will adjust the amounts recognised in its Financial Statements to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its Financial Statements, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

3.17 Errors and estimates

The Company revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Financial Statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

3.18 Segment Information

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that related to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments, operating results are reviewed by the Board of Directors, which has been considered as the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segment and assess their performance. Borrowings of the Company are considered as 'Unallocable' and disclosed accordingly. Correspondingly, finance costs relating to all the borrowings have also not been allocated to reportable segments and disclosed under 'Unallocable'.

3.19 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time

New and amended standards:

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

Ind AS 117 – Insurance Contracts

The Ministry of Corporate Affairs has issued a notification dated 12 August 2024 introducing Ind AS 117, Insurance Contracts for accounting of insurance contracts which replaces the current standard Ind AS 104, Insurance Contracts. The amendments are applicable with effect from 12 August 2024.

Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Noncurrent Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The above IND AS amendments and related amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

The above amendments are not relevant or do not have an impact on the Financial Statements of the Company.

Ind AS 116 - Leases

On 9 September 2024, the Ministry of Corporate Affairs issued amendments to Ind AS 116 concerning sale and leaseback transactions. The amendment impact how a seller-lessee accounts for variable lease payments that arise in a sale -and leaseback transaction. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale and- leaseback transactions. The key considerations from the amendments are:

(a) On initial recognition, the seller-lessee includes variable lease payments when it measures a lease liability arising from a sale-and-leaseback transaction.

(b) After initial recognition, the seller-lessee applies the general requirements for subsequent accounting of the lease liability such that it recognises no gain or loss relating to the right of use it retains.

A seller-lessee may adopt different approaches that satisfy the new requirements on subsequent measurement. The amendments are applicable with effect from 1 April 2024. Under Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, a seller-lessee will need to apply the above amendments retrospectively to sale and-leaseback transactions entered into or after the date of initial application of Ind AS 116.

The above amendments are not relevant or do not have an impact on the Financial Statements of the Company.

4.02 Investment property

Leasing arrangements

The Company has leased properties under non-cancellable operating leases in the capacity of a lessor. Refer Note 4.26 for future minimum lease payments in respect of these properties till the expiry of lease term.

Measurement of fair values

Fair value hierarchy:

The fair value of Company's investment property and investment property under construction as at 31 March 2025 and 31 March, 2024 has been arrived on the basis of a valuation carried out as on the respective dates by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued and is a registered valuer as defined under Rule 2 of Companies (Registered Valuers & Valuation) Rules, 2017.

Valuation technique:

The Company follows discounted cash flow technique which considers the present value of net cash flows to be generated from the property taking into account the expected rental growth rate, vacant period, occupancy rate, lease incentive costs such as rent free periods and other costs not paid by tenants. The expected net cash flows are discounted using risk-adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location, tenant credit quality and lease terms.

Investment property comprises commercial property that is leased to third parties. Each of the leases entered are normally for a period of 2 to 9 years. Subsequent renewals are negotiated with the lessee or as per the terms of initial agreement are automatically renewed. No contingent rents are charged. Refer Note 4.26 for further information.

The fair value measurement for all of the investment property has been categorised as a Level 3 fair value based on the inputs to the valuation technique used.

Note:

(a) Fair value of investment property as on March 31, 2025 and March 31, 2024 includes fair value of investment property under construction.

4.28 A) By Deed of Assignment dated 25.09.17 executed with Siemens Ltd., the Company acquired the municipal leasehold land bearing Plot No.130 of Worli Estate of the Municipal Corporation of Greater Bombay (MCGM) and leasehold structures as also transfer of the freehold structures. The MCGM lease in respect of the said Plot No.130 is for 999 years w.e.f. 17.10.1943. The transfer premium in respect of the said transfer has been paid to the Lessor - MCGM. Since various issues inter alia relating to lease tenure for 30 years/enhanced lease rent are sub-judice in various Writ Petitions filed in the Bombay High Court by lessees of other MCGM plots, MCGM had granted permission for the assignment inter-alia subject to the outcome of the High Court proceedings and orders in respect of period of the lease / enhanced lease rent, and obtained an Undertaking dated 18.12.2017 from the Company in respect thereof. The said proceedings in the High Court are pending. Siemens or Whispering Heights Real Estate Private Limited are not parties in these Writ Petitions. MCGM has effected the transfer and accepted the Company as a Lessee, without prejudice and subject to the final decision in respect of the pending Court proceedings the name of the Company has been mutated in the records of MCGM, Mumbai and also in the property card in respect of the said property.

(B) Original Application No. 28 of 2023 (WZ) ("OA") was filed by Santosh Daundkar ("Applicant") against State Environment Impact Assessment Authority & Others before the National Green Tribunal West Zone ("NGT"), praying for directions/order in terms of principle derived by NGT in Order dated 13th September 2022 in Appeal No.22 of 2016 (WZ) ("NGT Order") to be applied to all other projects in Mumbai where recreational ground ("RG") has been provided on podium concrete slab or a basement concrete slab instead of on Mother Earth. The Applicant has, inter alia, prayed that (i) all constructions in Mumbai which took place after cut-off date December 17, 2013 in the aforesaid manner be demolished, filled with earth and then the plantation be done on the mother earth, (ii) an independent expert committee be set-up to scrutinize all building plans, which were given commencement certificate (including the commencement certificate on amended plans) after cut-off date of December 17, 2013, where the statutory RG has been placed on top of a concrete slab such as a basement or a podium, (iii) an interim stay order in case of ongoing constructions where the statutory RG has been placed on top of a concrete slab. Whispering Heights Real Estate Private Limited ("WHREPL") has been subsequently impleaded as a party to this OA as Respondent No.11 and has filed its limited preliminary reply opposing the OA, grant of any reliefs and further seeking dismissal of OA against WHREPL. The preliminary reply, inter alia, states that: (i) there is no cause of action qua WHREPL, (ii) WHREPL's development and provision of recreation ground is in accordance with and as permissible under Regulation 27 of Development Control and Promotion Regulations for Greater Mumbai, 2034 which regulation is in full force and effect, and there is no violation by WHREPL as alleged by the Applicant, and (iii) challenge in OA viz. Regulation 27 of DCPR, 2034 is not maintainable as NGT does not have jurisdiction to adjudicate upon the vires of any statutory provisions or of any subordinate legislation; (iv) the Applicant has invited NGT to adjudicate on a matter that is directly, substantially and materially under consideration by the Hon'ble Supreme Court of India; (v) WHREPL is undertaking construction and development on its land in compliance of all applicable laws and approvals and sanctions accorded. In management's view, WHREPL has a good case as the project construction is in compliance with all applicable laws and approvals and sanctions accorded for the project till date. It is further pertinent to note that the said relevant portion of the NGT Order (which is the basis of the OA filed by the Applicant) has been stayed by Supreme Court of India vide Order dated 10th May 2024 in separate proceedings filed by CREDAI-MCHI challenging the NGT Order. On 13.11.2024 the NGT noticed that the proceeding filed by CREDAI-MCHI which deals with same issue in question, is pending before the Supreme Court, NGT was of the view that the matter should be heard after the final judgement is passed by the Supreme Court. Accordingly, the Tribunal passed Order dated 13.11.2024 holding that the captioned matter be kept in abeyance until the final order is passed in proceeding filed by CREDAI-MCHI and directed the Registry to list the captioned matter thereafter. The proceeding filed by CREDAI-MCHI is still pending.

ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has access to funds from Banks and financial institution. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. Based on the funding requirements, cost of borrowing and efficiency of cashflow management, the Company uses various sources of funds including long term borrowings, over drafts, etc. Further the Company also has undrawn borrowing capacity which the Company shall utilise depending on the cashflow needs.

(Currency: Indian rupees in lakhs)

Financial arrangements

The Company has access to Rs. 1,07,530.14 (P.Y. Rs. 27,299.87) undrawn borrowing facilities at the end of the reporting period.

iii) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The Company does not hold any equity investments in listed entities. Hence, the Company is not exposed to any equity price risk.

a. Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters.

b. Un-hedged foreign currency exposure

There is no un-hedged foreign currency exposure.

c. Sensitivity analysis

The impact of sensitivity analysis due to change in exchange rate is not significant.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's bank deposits and debentures are carried at amortised cost and bear a fixed rate of interest. They are therefore not subject to interest rate risk as defined in IND AS 107, however the Company is exposed to interest rate risk because it borrows fund at variable interest rate from Banks and financial institution. Total borrowings at variable interest rate is Rs 128,418.10 (P.Y. Rs. 118,000).

Interest rate sensitivity - variable rate

The below table mentions the impact of increase or decrease in the interest rates of variable rate borrowings on Statement of Profit and Loss.

Particulars	Impact on Statement of Profit and Loss	
	31st March, 2025	31st March, 2024
Interest Rate increase by 100bps*	1,284.18	1,180.00
Interest Rate decrease by 100bps*	(1,284.18)	(1,180.00)

* holding all other variables constant

C. Capital Management

The Company's objectives when managing capital are:

- to ensure Company's ability to continue as a going concern.
- to provide adequate return to shareholders.

Management assesses the capital requirements in order to maintain an efficient overall financing structure. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and risk characteristics of the underlying assets.

The Company's adjusted net debt to equity ratio is as follows.

Particulars	As at 31st March, 2025	As at 31st March, 2024
Gross debts	1,75,919.88	1,69,578.56

Notes to financial statements as at 31st March, 2025 (Continued)

(Currency: Indian rupees in lakhs)

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Principal amount and the interest thereon remaining unpaid to any supplier as at the year-end	1,286.34	1,272.25
Amount of interest paid by the Company in terms of section 16 of the MSMED, along with the amount of the payment made to the supplier beyond the appointed day during the accounting year	-	-
Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED	3.73	0.23
Amount of interest accrued and remaining unpaid at the end of the accounting year;	5.70	2.22
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of MSMED	-	-

The above disclosures include cases where interest is provided in respect of works contracts, assuming works contracts are covered under the MSME Act; although based on legal opinion obtained, such interest is not due or payable considering the judgement of various high courts holding that MSME Act is not applicable to works contract, and since there is no stay of these High Court judgements in the matter pending decision in the Supreme Court, The outflow to settle such liability (if any) will be dependent on the outcome of the pending matter in the Supreme Court. Considering the uncertainty, the provision is currently made in the books of accounts and disclosed in the financial statement.

4.37 The Management has been using SAP ERP as its books of account and SAP audit logging has been enabled for the throughout the year as per the statutory requirements and captures all the changes made in the Application system through an audit log. The audit trail has been preserved by the Company as per the statutory requirements for record retention. Further, as a part of privileged management, during the year the Company has implemented Privileged Access Management System. This system provides access based on need/ approval and does the video recording of all activities carried out by privileged user.

4.38 The Company has entered into a Support Service agreement with K Raheja Corporate Services Pvt. Limited (now K Raheja Corp Real Estate Pvt. Limited), the service provider dated December 30, 2016 whereby, the service provider is entitled to an incentive fees for its services and expertise and efforts towards the development of the Project of the Company which would lead towards the Project Completion. 'Project Completion' has been defined as (a) the issuance of an Occupancy Certificate for the Project by the appropriate Governmental Authority, and (b) the letting out of 80% of the Leasable Area in the Project pursuant to duly executed binding agreements, pursuant to which security deposit is received by the Company under such agreements from its clients. At any time post Project Completion, based on achieving certain agreed valuation parameters and certain steps to be taken by the relevant parties, the Company shall be liable to pay such Incentive Service Fee.

The Company follows a policy to exclude variable payments relating to cost of Investment Property that are dependent on the Company's future activity from the initial measurement of the asset (i.e. no liability is recognised initially for these payments) and instead a liability is recognised when the condition that triggers the obligation occurs.

As on the balance sheet date, the Company is yet to achieve the letting out of the above referred Leasable Area threshold. Accordingly, since the condition that triggers the obligation has not yet occurred the incentive fees is currently not recognized.
